

MG 4 – Vibration Issue

We have been made aware of a vibration issue affecting many MG 4 Owners.

As the UK's leading vehicle rejection service, Reject My® Car are best placed to assist the Owners in seeking the best resolution possible, be that rejection, replacement or repair.

We work across the UK and Ireland. If you are based outside of the UK, we may still be able to assist you, so get in touch.

Strength in numbers will add extra weight to your dispute, and if litigation is required those numbers will have even greater importance.

If you are affected and would like more information on how we can help you, in the first instance fill in the 'Contact Us' form on our website and we will quickly be in touch to discuss your individual case and the next steps.
