

ALL NEW MG5 EV
RE:BOOT RE:CHARGE
RE:CONNECT

All New MG5 EV is Europe's first electric car to sport the spacious and practical SW bodystyle. With a long range and a low price tag, MG5 EV is the perfect electric car for today's family and business needs.

Built to the highest standards in our state-of-the-art manufacturing plants, we are so confident of the quality and reliability of MG5 EV that we give it a 7 year manufacturer's warranty.

RE:BOOT RE:CHARGE RE:CONNECT

UNTIL NOW, ELECTRIC CARS HAVE TYPICALLY BEEN SMALL, COMPACT AND IMPRACTICAL. NOT ANYMORE! MG HAS GIVEN THE ELECTRIC CAR A RE:BOOT WITH THE SPACIOUS AND PRACTICAL ALL NEW MG5 EV.

With plenty of interior space, MG5 EV can accommodate five passengers in comfort, and the large boot provides ample luggage capacity. With the rear seats up and load cover in place there are 464 litres of boot space, or with the load cover retracted that extends to 578 litres with the rear seats still in place. Drop the 60:40 folding seat back and the load capacity increases to an astonishing 1,456 litres.

MG5 EV can also boast a long electric range and quick rapid charging, helping you to

RE:CHARGE your journeys in the new world of electric motoring. The 52.5kWh battery delivers a 214 mile WLTP-certified range, rising to 276 miles if the car is driven solely in urban settings. An 80% battery charge can be achieved in just 50 minutes using a 50kW CCS rapid charger.

Packed with technology, MG5 EV will help you to RE:CONNECT with the 8" colour touchscreen featuring Apple CarPlay™, Android Auto™, reversing camera and sat-nav.

**ZERO
EMISSIONS**

*All New MG5 EV range is 214 miles on the new WLTP combined test cycle and 276 miles on the WLTP city test cycle. **1,456 litres with the rear seats folded flat.

RE:BOOT

ALL NEW MG5 EV IS DESIGNED WITH EVERYDAY LIFE IN MIND. WITH A MASSIVE BOOT AND SPACIOUS CABIN, IT CAN EASILY HANDLE ALL OF YOUR WORK AND LEISURE REQUIREMENTS.

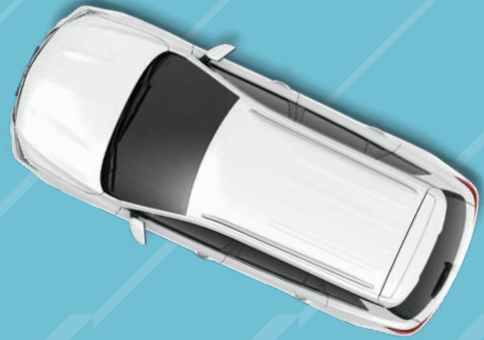

Packaged in a highly practical body style, All New MG5 EV offers a boot capacity of 464 litres, which rises to 1,456 litres with the rear seats folded down. You can now travel further than before, taking everything but the kitchen sink along for the journey too! Inside the cabin, there's more than enough room for five to travel in comfort, as well as the family dog!

But all that luggage capacity is not to the detriment of passenger space. Rear seat passengers are very well catered for with ample head room and plenty of legroom, even when seated behind a tall driver. Those in the front can easily get comfortable thanks to the six-way adjustable driver's and four-way adjustable passenger seats, with cloth upholstery on the Excite and leather-style upholstery on the Exclusive. The Exclusive also gets heated front seats and driver's lumbar support.

** 1,456 litres with the rear seats folded flat.

RE:CHARGE

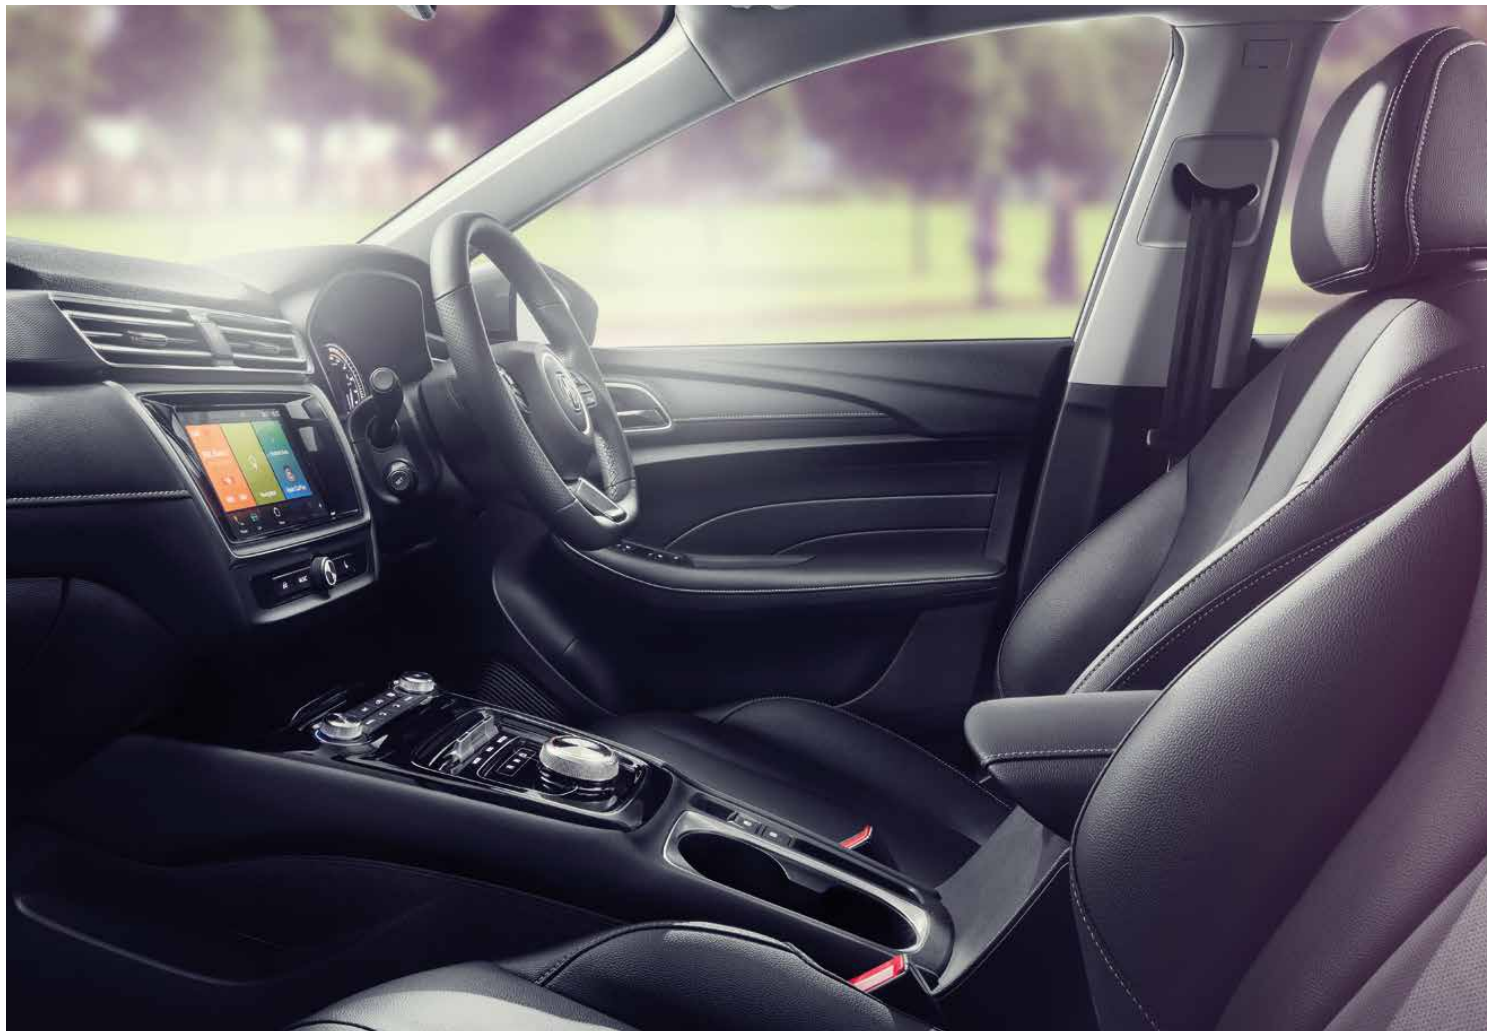

WITH A 52.5KWH BATTERY, ALL NEW MG5 EV DELIVERS A 214 MILE WLTP-CERTIFIED RANGE. AN 80% BATTERY CHARGE CAN BE ACHIEVED IN JUST 50 MINUTES USING A 50KW CCS RAPID CHARGER.

Charging All New MG5 EV couldn't be easier, with the option of charging overnight at home, where you can recharge on a standard 7kW home charger, or if you find yourself out and about in need of a boost, the UK has plenty of rapid charging points compatible with MG5 EV. Mounted within the front grille, MG5 EV has both CCS and Type 2 ports easily accessible.

To assist your driving experience and to maximise range, MG5 EV is equipped with three levels of regenerative braking, improving brake efficiency and helping to optimise battery charge usage. There are also three driving modes – Eco, Normal and Sport – allowing the driver to select the most appropriate settings for their journey and driving style.

Apple Carplay™ / Android Auto™

8" Colour Touchscreen

Satellite Navigation

4 USB ports

Bluetooth

You'll also find DAB radio, air con, Push Button Engine Start and Bluetooth to further enhance your comfort, keeping you connected every step of the way.

RE:CONNECT

All New MG5 EV is packed with technology, and that's not just the sophisticated electric powertrain! With an 8" colour touchscreen, DAB radio, Bluetooth, four USB ports, Apple CarPlay™ and Android Auto™, connectivity is easy. A rear parking camera, air conditioning, and sat-nav are also standard. Exclusive versions also add Smart Keyless Entry with Push Button Engine Start to make MG5 EV the perfect smart and techy choice.

PERFECT FOR FAMILIES, PERFECT FOR BUSINESS

ALL NEW MG5 EV IS THE PERFECT ZERO EMISSIONS CAR FOR FAMILIES AND FOR BUSINESS DRIVERS ALIKE. DRIVING MG5 EV CAN SERIOUSLY REDUCE YOUR RUNNING COSTS, AND WITH BUSINESS DRIVERS BENEFITING FROM ZERO OR ULTRA-LOW BENEFIT IN KIND RATES, MG5 EV IS SERIOUSLY GOOD FOR YOUR POCKET!

LOW RUNNING COSTS

All New MG5 EV presents good value for businesses and drivers alike. Currently exempt from Vehicle Excise Duty (VED), the London Congestion Charge and ULEZ rates, All New MG5 EV can reduce every day running costs significantly, covering each mile for under four pence at current electricity prices**.

0% BIK

As of April 2020 business and fleet buyers can benefit from 0% Benefit in Kind (BIK)*, meaning that company car drivers can make big savings and employers can also save on associated National Insurance Contributions (NIC).

* From 6th April 2020 until 5th April 2021, full battery electric vehicles (BEVs, such as All New MG5 EV), will pay 0% Benefit in Kind (BIK). The BIK rate is scheduled to rise to 1% for tax year 2021-22 and to 2% for 2022-23. All tax rates are subject to change by the UK Government. **A full charge (52.5kWh) will cost £7.54 at the UK average domestic electricity price of 14.37 pence per kWh. With a total combined range of 214 miles, this equates to 3.5 pence per mile.

AFTERCARE

7 YEAR WARRANTY

Like all MGs, MG5 EV has a full 7-year / 80,000 mile warranty, which includes the lithium-ion battery, giving you complete peace of mind throughout your ownership and guaranteeing that fully trained MG technicians will always be on hand to help. The warranty is fully transferable to future owners.

MG SERVICE PLANS

Look after your car and your car will look after you. With an MG Service Plan, you can continue the care-free driving without the worry of unforeseen service costs.

Your MG can be covered for up to seven years with flexible mileage choices. MG's authorised repairer network offers genuine parts, factory trained staff and the peace of mind that your MG is in a safe pair of hands. From software updates to the batteries in your key fob, the MG Service Plan will keep your new car covered and you on the road.

**SPEAK TO YOUR MG DEALER OR VISIT
MG.CO.UK FOR MORE INFORMATION**

OUR FAMILY

All New MG5 EV joins the MG range alongside two other electrified cars, MG ZS EV, a full battery electric SUV and MG HS Plug-in, our first plug-in hybrid SUV. The MG range is completed by MG3, our fun hatchback, New MG ZS, our spacious family SUV and MG HS, our largest car for quality family moments.

All new MGs feature our famous 7-year warranty and our nationwide network of professional, experienced dealers are ready to welcome you to the family.
