

Unbind vehicle guidance for the new owner of the MG car

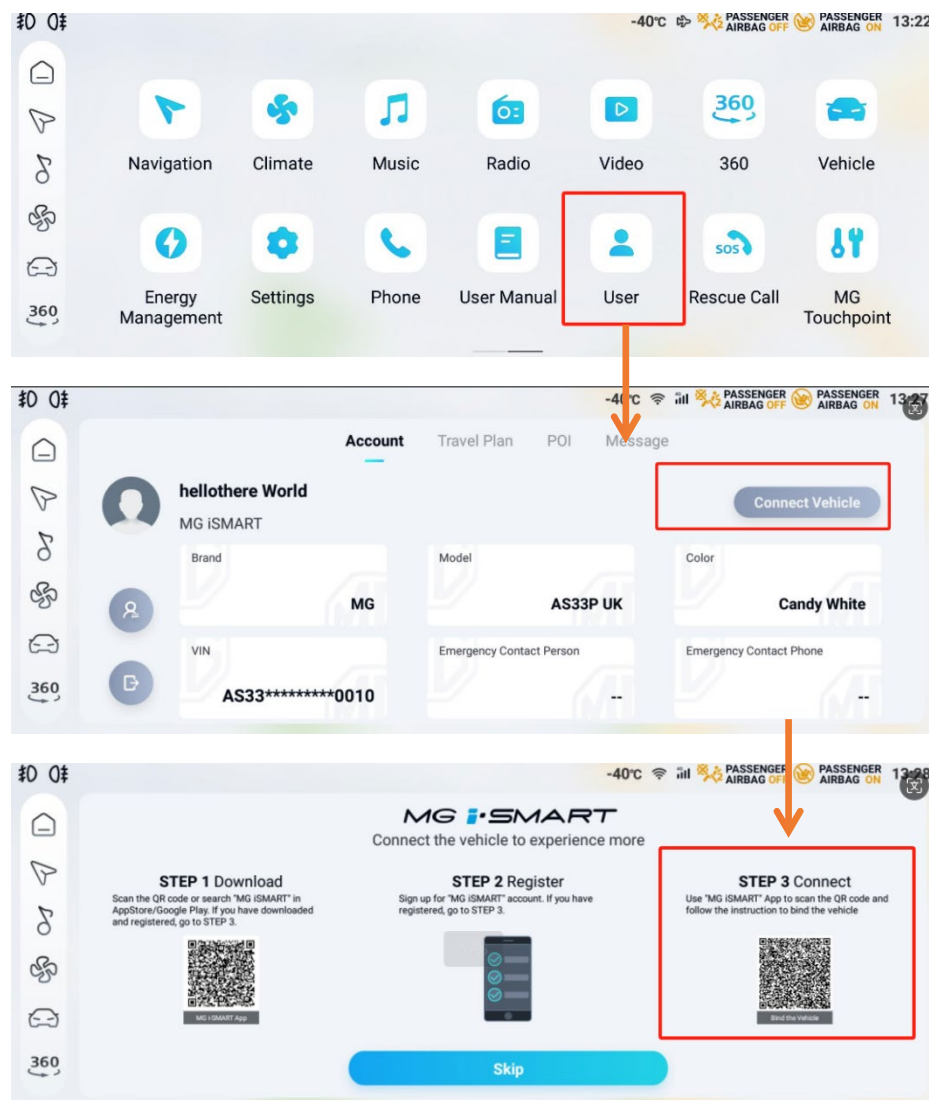

Preconditions:

This guidance only be useful to the owner who find the car has been bound by the previous owner. And the previous owner has not unbound it even though the car has been transferred to the new owner.

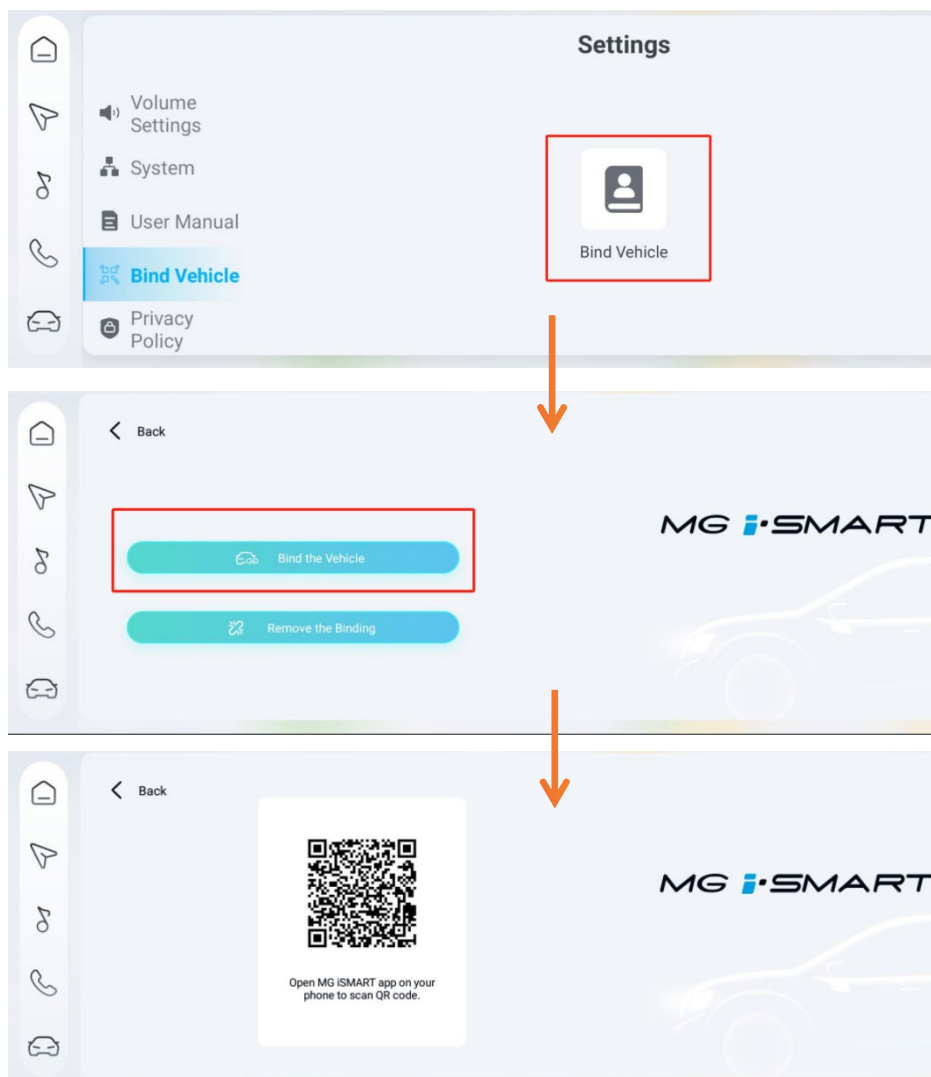

We still suggest the new owner to push the old owner to bind during the transfer process as the best choice.

1. Find the entrance of Bind Vehicle QR code

(1) If you have an internet connected car, the entrance is in User module.

(2) If you have a Color Radio Lite car, then the entrance is in the System Settings.

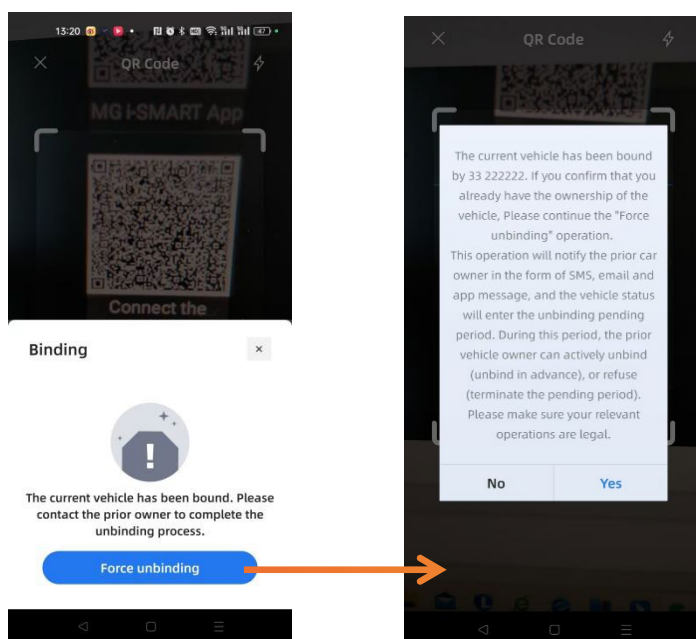

2. Use your iSmart APP to scan the QR code.

3. Force unbinding

If the car has been bound, the APP will pop up as below. Click 'Force unbinding' to go on.

4. Unbind processing

Please note that the unbind process will keep 72 hours at most. Because the previous person who bind the car will be notified.
